

Dear Families of St. Mary School;

We are happy to offer Spring photos!!!

SPRING PICTURE DAY: **Monday March 19, 2018**

We are pleased to be able to offer you a sneak peek at our Pose options. Simply log on to www.MemoryMakersStudios.com and click on the SPRING 2018 ICON. Feel free to review the options with your child prior to Picture Day. If you see a pose you would like your child to use, be sure to remind them to tell the photographer as they come to the camera.

Portraits will be taken in front of a virtual background. Photographing in front of a virtual background allows us to electronically add your background selection. *Memory Makers does not charge any additional fee for the offering.*

Spring School Photos will be a prepaid purchase. We will send an order envelope home with your student. Please look for it and review it carefully so that you may make your package selections. Be sure to send your order & payment in with your child on picture day. **We can't order unless we receive your order and payment.**

THINGS TO CONSIDER:

It is always a good idea to talk with your child prior to Picture Day. Talk about their smile, the clothes they would like to wear, if they should have their glasses on or off. *Spring is generally a more casual session.* It's a chance to capture their personality. Think SPRING!

WHAT SHOULD BE AVOIDED?

Removable tattoos, bulky sweatshirts or hoodies and hair bands on wrists. Our photographers and parent volunteers make a conscious effort to have adjustments made for the best image of your child. In some circumstances eye glasses can cause a glare. We do ask the children about their glasses and if they would like to have their portraits with or without. The choice is of course up to you. If you have a preference please write a note for us, and we will do our best to accommodate it.

Please attach a note if you would prefer your child be photographed without their glasses or would like your child's hair a certain way. The note has to be on the outside of the envelope for the photographer to see.

As always, we are easy to reach. If you have any questions, comments or concerns, feel free to call us at:
