Fishkill, New York 12524

May 4, 2018

Dear Saint Mary Parents,

Thank God, we are finally experiencing some warmer weather.

Congratulations to all of our second graders who are receiving the Holy Eucharist for the first time. May they always keep Jesus in their heart with the overwhelming joy that they experience at First Communion!

Thursday, May 10 is Ascension Thursday. The students will attend the 9:00 am Mass. We will also have liturgy at 9:00 am for the great feast of Mary, Mother of the Church, patroness of our parish and school. The eighth graders will be attending Mass at Holy Trinity on the 21st, as they celebrate graduation with the eighth graders from the Dutchess Catholic elementary schools.

Field Day is Friday, May 11th. Pray for sunny skies and cool breezes.

Class trips are coming up. If you would like to chaperone, you have to have the background check and SAFER SPACES training.

Please remember that we will be in school on Friday, May 25th because we exceeded our snow day quota.

Enjoy this beautiful month of Mary, our Mother, and please honor your own wives and mothers everyday, and especially on May 13!

God bless you!

Sincerely,

Handwritten signature of Mrs. Daley in cursive script.
