RE: Safe Environment Program

As you may know, all adults who come in contact with our students must submit to a background check and complete the Safe Environment program. Teachers are required to submit a list of chaperones to the office prior to any class trips.

If you have not already completed the SEP, please visit our school website (stmaryfishkill.org) and click on the Safe Environment link.

Please keep in mind that a Background Check Authorization form MUST be completed and returned to school two business days before the online training is accessed.

Thank you in advance for your cooperation. If you have any questions or concerns, please contact the school office.
