## Tech Trek – May 15, 2017

Dear Parents,

As the school year winds down and our thoughts turn to summer vacation, we still have some business left! All students are expected to participate in this year's Tech Trek, which is the **only** event that supports our school's Technology Program.

For those not familiar with Tech Trek, it is basically a short walk-a-thon held during Field Day. The students gather together with their friends in the lower parking lot and walk, skip, or run around the perimeter while some of their favorite songs are playing in the background!

Also enclosed in the blue folder is a sponsor sheet. Any assistance you can provide to help us reach our fundraising goal would be greatly appreciated – every dollar makes a difference!

We are requesting that all completed forms be returned by **May 10th**, to the attention of Mrs. Kramer. Students who collect \$100 or more in sponsorships will receive a **5 day no uniform pass**, those donating \$50 to \$99 will receive a **3 day no uniform pass**, and those with \$25-\$49 in donations will receive a **1 day no uniform pass**. The passes can be used until October 31, 2017. The student with the largest total donation will receive a \$50 Toys R Us gift certificate and the runner up will receive a \$25 Toys R Us gift certificate.

This year, the class with the highest participation rate will receive a Pizza Party (with ice cream sundaes for dessert) and one period of extra recess!

Thank you for your past generosity and if you have any questions, please feel free to contact the school.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Barbara Schwiebert'.
