FR: Ms. Schwiebert

RE: Original Works Fundraiser

Thank you to all who have placed an order. We are looking forward to adding additional tiles to our beautiful hallway display.

Please note that the deadline for order submission has been extended to Monday, May 15th. If you have decided not to make a purchase, we are requesting that you return the magnet to school immediately. The school will be charged \$6.00 for each magnet that has not been returned. In addition, any late orders will be charged an additional shipping and handling fee.

Unfortunately, due to prolonged order processing times, we will not be able to accept orders after **Monday, May 15th.**

Many thanks for your generosity and support!
