RE: Fourth Quarter Progress Reports

After careful consideration, it has been determined that the teachers will be sending Fourth Quarter Progress Reports home on an “as needed” basis. Traditionally, there is five weeks between assessments, whether it is report cards or progress reports, but due to the Easter Recess, these were not five weeks of instruction.

The teachers have not had a sufficient amount of time to properly assess their students’ progress since the report card sent home on April 21st. It will be at the teacher’s discretion to provide progress reports for their students who may be at risk at this time.

If you have any questions or concerns, please let me know. I thank you in advance for your cooperation in this matter.
