

Please Consider Donating!

On Saturday, June 3, a devastating fire in the Village of Wappingers left 30 people homeless and in desperate need of replacing all of their belongings.

I am coordinating a fundraiser to assist the fire victims. Although clothing and other donations came pouring in, they are in need of gift cards to Walmart and Target.

Please consider a cash donation so that I can purchase and deliver gift cards to the fire victims.

Any amount will help!

Please send your generous cash donation through St. Mary School to Danny Urbanak, Grade 6, by Friday, June 16th.

Any questions please email Tara Urbanak at Tlurb72@verizon.net

Thank you for your support!
