Dear Parents/Guardians:

I write to inform you that Ms. Ann Dombroski will be joining the St. Mary school community as our 5th Grade ELA teacher and 5th-8th Grade Science teacher, effective Monday, September 25th. Ms. Dombroski comes to St. Mary with over 22 years of experience as an educator. Most recently, she served as the principal of Holy Trinity School before deciding to return to her true passion: teaching in the classroom.

Ms. Dombroski is a committed Catholic educator with over a decade of diverse teaching experience in the Archdiocese of New York. Her commitment to promoting hands-on, cooperative learning has been critical to her student-centered approach to education and will be crucial in her role at St. Mary.

Ms. Dombroski holds a Bachelors of Arts in Psychology from Marist College as well a Master of Science in Educational Administration from the University of Scranton. As you can see, Ms. Dombroski brings not only a wealth of knowledge and experience, but also a true passion for teaching to St. Mary, and I hope you will join me in welcoming her upon her arrival.

Ms. Dombrowski will be available after school on Wednesday, September 27th from 6:00-7:00PM and Friday, September 29th from 3:00-5:00PM for Meet-and- Greets with parents. All parents of students in Grades 5, 6, 7 and 8 are welcome to attend.

Sincerely,

Barbara Schwiebert
Principal
