

Christmas Cookie Walk

December 17, 2017

On Sunday, December 17th, the PPA will hold our annual Christmas Cookie Walk. At this event, we sell homemade cookies to the parishioners after each mass as a fundraising effort. This is a 2nd grade assigned event, but we ask that each St. Mary's family volunteers to bake a batch or more, of their favorite Christmas themed or special traditional cookies. The seniors of our parish are especially appreciative of the effort. We welcome gluten free, nut free, dairy free, or any combination of, donations in addition to traditional cookies. It is never too early to start baking and freezing cookies for the Cookie Walk! Consider recruiting family members and making a fun day of it! The Sign Up Genius for donations is now live and the link is
