Dear St. Mary School Families,

I am writing to announce that, effective today, March 20, 2018, Ms. Barbara Schwiebert will be departing as principal of St. Mary School. On behalf of the Dutchess Regional Catholic School Board of Trustees, I would like to thank Principal Schwiebert for her three years of service to the St. Mary's School community. I know you all join me in wishing her the very best in all of her future endeavors.

For the remainder of the school year, I will serve as the interim acting principal of St. Mary School. In the meantime, we will immediately begin our search for a qualified candidate to replace Ms. Schwiebert as principal. I will make certain to update you as this important process unfolds. I am confident that we will soon have an outstanding school leader to strengthen the tradition of academic and spiritual excellence at St. Mary's School.

Thank you for your attention to this important communication and for your continued partnership in the spiritual and academic education of your children.

Sincerely,

Mary Jane Daley

Dutchess and Northern Westchester/ Putnam, Regional Superintendent
